

Yellowfin, Bluefin, Albacore, Bigeye, & Skipjack

Tuna Fillet Requirements

Each individual tuna must be:

- divided into 6 portions: 4 loins, collar, & belly meat with anal vent
- loins must be one contiguous fillet from head to tail with skin attached
- pectoral fins must be attached to collar
- 6 pieces to be contained together in a labelled bag (YFT, BFT, etc)
- one filleted fish per bag
